2008 SPRING NOTES -- OFFENSE

QUARTERBACKS

- Drew Weatherford has started 33 games in his three-year career. He will enter the season with a realistic chance to set new FSU career records for passing yards, completions, total offense and 300-yard games.
- Weatherford has started double digit games in each of the last three seasons.
- No QB in the FBS threw fewer interceptions than Weatherford did in 2007 as he cut his picks from 11 in 2006 to just three last season.
- Weatherford led the FBS in interception avoidance in 2007.
- Sophomores Christian Ponder and D'Vontrey Richardson both saw limited action in 2007 but neither has ever started a game in college.

RUNNING BACKS

- Antone Smith carried the ball 192 times. That is the most carries by a Seminole back since Greg Allen carried the ball 200 times in 1983.
- Smith was responsible for 43% of the team's rushes in 2007. He also had 30% of the rushes and receptions, the highest percentage since Mark Lyles in 1979.
- After making just one start and carrying the ball 124 times in his first two seasons. Smith started 11 games and carried the ball 192 times last year.
- Seddrick Holloway averaged five yards per carry and 62.5% of his carries on second and third down resulted in FSU first downs.
- Marcus Sims started four games at fullback before an injury sidelined him for the rest of the season. He will be fully cleared to participate this spring.

WIDE RECEIVERS

- For the first time in school history, Florida State had three receivers go over 700 yards last season. Two of those receivers (Preston Parker and Greg Carr) will be back in 2008.
- The last time Florida State returned two receivers who went over 700 yards the previous season was in 1996 when Andre Cooper and E.G. Green both came back following 1,000 yard seasons.
- Parker and Carr combined to average over 125 yards receiving per game in 2007.
- Six of the 10 longest pass plays last season were completed to Greg Carr. Coming into 2007 the wideout had six catches of 40 yards or more in his first two seasons. He equaled that number last season.
- Carr needs just seven TD receptions to set a new career record at FSU besting Peter Warrick's mark of 31.

TIGHT ENDS

- Florida State will enter the spring without a single tight end who has caught a pass in a Seminole uniform.
- Jonathan Hannah has caught one pass in his career and it came in 2005 when he was a freshman at South Carolina. The reception went for 24 yards.
- FSU's leading receiver among tight ends in 2007 was Charlie Graham who is currently enrolled in Tallahassee Community College.
- Josh Dobbie, who played at Army, returns for his senior season after seeing limited action in 2007. The Dover, FL native has not caught a pass yet in his FSU career.

OFFENSIVE LINE

- The Seminoles will return two freshman All-Americans to their offensive line for the first time in the history of the program with Ryan McMahon and Rodney Hudson returning after stellar freshman seasons.
- No matter how the battles for open positions on the line work out, the Seminoles will start at least two players who have never started a game in their college careers.
- FSU will enter 2008 with only one offensive lineman who is not either a freshman or sophomore and that is right tackle Daron Rose who is a junior.
- The last time FSU entered a season without a senior offensive lineman was in 2003. That group featured just one returning starter (Ray Willis) while the 2008 offensive line will return three starters.

2008 SPRING NOTES -- DEFENSE

DEFENSIVE ENDS

- Everette Brown led the team in sacks in 2007 playing in a part-time role. The redshirt junior led all linemen in tackles and tackles for loss.
- Brown was one of the most productive sophomore defensive linemen in 2007 and he is already in the top 15 all-time at FSU in tackles for loss.
- Benjamin Lampkin saw his first playing time as a defensive end in the Music City Bowl after making the move from linebacker. He enters spring drills as the starter on the right side.
- Neefy Moffett dominated at times last season starting a career high seven games. His nine tackles for loss were the third-most on the team.
- Redshirt freshman Jamar Jackson is expected to contribute after losing his entire first season to a knee injury.

DEFENSIVE TACKLES

- This position was hit harder than any due to the graduation of Andre Fluellen and Letroy Guion's decision to leave after his junior year. Fluellen and Guion combined to start 13 games in 2007 despite Fluellen's battles with injuries all season.
- Budd Thacker started eight games for FSU last season and responded with a career high in tackles and tackles for loss despite missing four games due to injury.
- Paul Griffin did not start a game last season but his 6.5 tackles behind the line of scrimmage were tied for sixth-best on the team and third among linemen.
- Justin Mincey saw a significant increase in his playing time in 2007 as he played in 12 games and started four.

LINEBACKERS

- Even with Geno Hayes' early departure for the NFL, the linebacker position is deep and talented for FSU as middle linebacker Derek Nicholson is back as is the starter at strongside linebacker, Dekoda Watson.
- Florida State's leading tackler in 2007, Nicholson returns for his senior season coming off a 99 tackle season. Nicholson was the only Seminole linebacker to start all 13 games.
- Marcus Ball is expected to fill in for Geno Hayes on the weakside. The junior played in nine games and posted career highs in every category.
- As a group, Ball, Nicholson and Dekoda Watson combined for 173 tackles, 17.5 tackles for loss, 4.5 sacks and 10 pass break-ups.
- The three players slated to start at linebacker heading into the spring combined for a half a sack less than Geno Hayes had himself in 2007.

DEFENSIVE BACKS

- Last season the entire secondary returned in tact. This year Florida State will need to replace free safety Roger Williams who started 29 games in his career.
- The Seminoles will enter the spring with two corners who have earned All-ACC honors in their careers in Tony Carter and Patrick Robinson.
- Carter and Patrick Robinson intercepted 10 passes in 2007. That was just two picks shy of the entire team total in 2006.
- The last time FSU returned two players who combined for 10 picks the previous year was in 1991 when Jim Thorpe award winner Terrell Buckley (6) and Errol McCorvey (4) returned.
- Myron Rolle has started 23 consecutive games since his true freshman season and will enter the spring as the Seminoles' starting rover.

SPECIALISTS

- No position lost as many key components than the FSU special teams as kicker Gary Cismesia, holder/punter Brent Moody and deep snapper Garrison Sanborn all finished their collegiate careers in 2007.
- Cismesia finished his FSU career fifth all-time in scoring and he accounted for nearly 28% of all of Florida State's points the last three seasons (283 of 1024).
- Punter Graham Gano (43.4) is coming off the best season by an FSU punter since 1996 when Sean Liss averaged 43.8 yards per punt.
- Gano will enter the 2008 season with a streak of 11 straight games with a punt of at least 50 yards.

HEAD COACH BOBBY BOWDEN

Every season Florida State's legendary head coach finds a way to break a new record or reach what seemed to be an unreachable milestone. 2007 was no exception for Bobby Bowden.

The Florida State coach is the winningest coach in the history of major college football. He enters the 2008 season with a career record of 373-119-4 for a .756 winning percentage. He leads Penn State's Joe Paterno by one win and nine percentage points. Bowden's winning percentage is second among active FBS coaches with 100 victories and this coming season he will become just the third coach in major college football history to ever coach 500 games in his career.

In 2007 Bowden passed another truly remarkable milestone. With his victory over Maryland, he won his 300th game at Florida State University. He is one of only two coaches in major college football history to win 300 games at one school. The victory gave him seven wins and he has now won at least seven games for 26 straight seasons. Bowden also ensured himself his 31st consecutive winning season in Tallahassee.

The man who is synonymous with Seminole football took Florida State to a bowl game for the 26th consecutive season when his team played in the 2007 Music City Bowl for the first time in school history. With the invitation Bowden passed Tom Osborne and became the first coach in college football history to lead his team to 26 straight bowl games.

Bowden, one of the icons of college football, is second among active coaches for winning percentage in bowl games, second for all-time bowl wins and second for bowl appearances. He is the only coach to ever lead his team to 15 consecutive New Year's Day bowl games (1991-2005) and his Seminoles are tied for the most appearances in BCS bowl games with six. Bowden also owns the record for consecutive bowl wins as his Seminole squads won 11 straight from 1985-1995.

Bowden's list of coaching accomplishments is remarkable and is headlined by his induction into the College Football Hall of Fame December 5, 2006. Bowden and Paterno are the only two active coaches to ever be inducted in the hall of fame. The Seminole head coach was not just inducted into the hall but he was also presented with the National Football Foundation's Gold Medal.

Among his many accomplishments, one of the most amazing has to be the remarkable 14 straight top five finishes in the AP poll from 1987-2000. During that run Florida State was 152-18-1 and captured National Championships in 1993 and 1999. In 1999 the team became the first and only squad to ever go wire-to-wire as the No. 1 team in the AP poll. The Seminoles also played for the title three other times during that span and since 1993 no team in the FBS has played for more national titles than FSU.

Bowden has won 12 ACC Championships since FSU joined the conference in 1992 to go along with his two national championships. Included among those 12 conference titles is the inaugural ACC Championship Game victory in 2005. He has won 10 or more games 18 times in his 32 years in Tallahassee and over the last 20 years no program in America has a higher winning percentage than Florida State.

Under Bowden's guidance, FSU has not only produced great teams but great players as well. Two Seminoles, Charlie Ward and Chris Weinke, have won the Heisman Trophy, 24 of his players have been named consensus All-Americans, three of his QB's have won the Johnny Unitas Award and two have won the Thorpe Award, the Butkus Award, the Davey O'Brien Award and the Lombardi Award.

Since Bowden took over the program his players do not just succeed in college, they also produce in the National Football League. On Opening Day 2007, 41 of Bowden's Seminoles were on NFL rosters, the second-most of any college. Three of his players were selected to the 2008 Pro Bowl and 28 of Bowden's former players were selected in the first round of the NFL draft in the last 20 years. Since 1993, more FSU players (97) were drafted by NFL teams than any other college.

Success on the field is not enough for Bobby Bowden as he expects his players to contribute more than just athletically. Two of Bowden's greatest players, Warrick Dunn and Derrick Brooks, went on to not only become phenomenal pros but both were honored as the NFL's Man of the Year. Florida State is one of just five schools to produce multiple players to win the NFL's top award for community service. Florida State's 2000 football class saw 93% of its members leave Tallahassee with a degree in hand and in 2006 only Duke had more football players named to the ACC Honor Roll. Nine of Bowden's players have been awarded post graduate scholarships and since Bowden's arrival in Tallahassee a Seminole football player has been named a first team Academic All-American 10 times.

FLORIDA STATE FOOTBALL

CLEMSON, S.C. (AP) -- First-time starter Cullen Harper threw two touchdown passes in Clemson's 24-18 victory over the No. 19 Seminoles on Monday night.

Harper and the Tigers came out throwing to take a 21-0 lead before the game was 17 minutes old -- and brought their coach, Tommy, his third straight win over father Bobby's Seminoles.

Florida State rallied from 24-3 down in the second half of the season opener for both teams. When Drew Weatherford hit Richard Goodman for a 15-yard TD pass with 11:40 left, the Seminoles trailed by 6.

Weatherford and the Seminoles got the ball back three more times after that, but could not score.

"It looked like stage fright. We were running a new offense but I thought we grasped it better than that. We were bad," Bobby Bowden said.

Clemson fans rushed the field and the collapsible goal posts came down after Weatherford's final pass fell to the ground. But officials chose to review the play, moving orange-clad fans out of the way.

Finally, they were told the play stood and the game was indeed over.

Florida State had a rough first half, managing only one first down and 62 yards. The Seminoles, however, found their rhythm in the second half.

Antone Smith had a 49-yard run to Clemson's 1, then followed with the score that drew them to 24-11. Goodman's TD catch tightened things up even more.

But Weatherford and the Seminoles couldn't sustain the rally.

They got to Clemson's 31 with 3 minutes left. But Florida State's junior quarterback threw three incompletions and was taken down from behind by defensive lineman Philip Merling.

Harper was 14-of-24 for 160 yards and no interceptions. Davis gained 102 yards on 18 carries.

The victory closed Tommy within a win of his father after the ninth meeting of college football's best known family feud.

Bobby's Seminoles won the first four games in the series by a combined score of 160-79. Tommy won four of the past five, including the last three at Death Valley.

Bobby Bowden said he can't be certain the Seminoles will rebound from their fifth loss in their last eight games. "You never know. The season's too young," he said.

Clemson got things going with a reverse to Jacoby Ford that went for 34 yards to Florida State's 23. Three plays later, Harper found Linthicum for an 11-yard touchdown pass.

The Tigers were at it again moments later when linebacker Nick Watkins recovered Preston Parker's fumble.

Davis, who gained 1,187 yards a year ago, showed off his power on the next play, breaking two tackles and cutting hard left near the goal line for his 29-yard touchdown and a 14-0 lead.

Two series later, Harper hooked up with Kelly for a 41-yard touchdown pass.

GAME NOTES

GIVE 'EM TWO

The safety in the third quarter was Florida State's first since it picked up one against Virginia last season. Buster Davis tackled Jameel Sewell for a five-yard loss in the third quarter of FSU's 33-0 victory.

THREE TRUE FRESHMEN MAKE THEIR DEBUT

Florida State had three true freshmen play in tonight's game. Rodney Hudson got the start at left guard in his first collegiate game. Kendall Smith got into the game on special teams. Also making his debut on special teams was fellow linebacker Maurice Harris.

SMITH ON THE RUN

Antone Smith's 49-yard scamper in the third quarter that set up his one-yard touchdown run was his longest in eight games. The junior set a career high with an 80-yard touchdown run against Duke on October 14. The TD against Clemson was Smith's first since he scored versus Virginia. Smith rushed for 90 yards against Clemson, his best effort since a career-high 137 against Rice last season (Sept. 23).

GOODMAN MAKES HIS WAY INTO THE ENDZONE FOR THE FIRST TIME

After three seasons as a reserve, Richard Goodman made his first major contribution to the offense in the fourth quarter. The junior caught his first career touchdown pass with 11:40 remaining in the game. The 15-yard reception is the second-longest of his career, coming in just behind a 22-yard reception against Troy last season (Sept. 9). The touchdown pass was Florida State's first in a season opener since Chris Rix hit Chris Davis for a seven-yard score in the 2003 game at North Carolina (Aug. 30).

WEATHERFORD OPENS 2007 WITH A CAREER-LONG RUN

The 22-yard run by Drew Weatherford on the first play of the game was the longest rush of his career. His previous high was a 17-yarder versus Maryland on October 29, 2005.

MOFFETT AND WATSON COMBINE FOR FSU'S FIRST TURNOVER OF 2007

The fumble recovery by sophomore Dekoda Watson was the first of his career. His recovery was the product of a strip by defensive end Neefy Moffett. It was the second forced fumble of Moffett's career. He also forced one versus Rice in 2006. He recovered that fumble himself.

FLORIDA STATE FOOTBALL

TALLAHASSEE, Fla. (AP) -- Drew Weatherford threw for 332 yards and three touchdowns as Florida State rallied from an early two-touchdown deficit and held off UAB 34-24 on Saturday.

The Seminoles fell out of the Top 25 after losing Monday at Clemson and found themselves in a hole to UAB, which has lost nine straight but was up 17-3 lead in the first half.

Weatherford hit a streaking Richard Goodman in stride for a 50-yard touchdown on the final play of the third period that gave the Seminoles a 31-24 lead and Gary Cismesia's 40-yard field goal two minutes later finally gave Florida State some breathing room at 34-24.

Florida State didn't get its first lead, 24-17, until late in the third quarter on Marcus Sim's 1-yard TD run, but UAB countered on Joseph Webb's one-handed catch on a 16-yard pass from Sam Hunt to tie the game at 24.

Tight end Charlie Graham and wideout Greg Carr also caught TD passes for Florida State (1-1, 0-1 Atlantic Coast Conference), which totaled 520 yards offense.

Although the offensive statistics were virtually even at the half, UAB held a 17-10 lead on the strength of Will Dunbar's 21-yard interception return touchdown just five minutes into the game that made it 10-0.

After a 28-yard field goal by Cismesia, Hunt's 4-yard scoring scramble early in the second quarter boosted UAB into its 17-3 lead.

UAB (0-2) has not won since a 35-29 win over Memphis last Oct. 7.

Florida State lost starting tailback Antone Smith with a concussion midway through the third period and his status for next Saturday's game at Colorado was not immediately known.

GAME NOTES

SEMINOLES GRINDING IT OUT ON THE GROUND
Florida State's running game has seen a resurgence. For the third game in a row, the Seminoles have produced at least 100 yards rushing as they went for 188 against UAB. The total is Florida State's highest since it went for 287 against Rice last season (September 23). Through the first two games, Florida State is averaging 151 rushing yards per game, compared to just 96.5 in 2006. Florida State had three running backs go for more than 30 yards against UAB - Antone Smith (62), Jamaal Edwards (45) and Marcus Sims (34) - which it hasn't had since last year's Maryland game.

GOODMAN CROSS THE GOAL LINE AGAIN
After scoring his first career touchdown Monday at Clemson, junior Richard Goodman scored six points again versus UAB. He is the second FSU receiver to catch a touchdown catch in consecutive games in the last four contests. Greg Carr rounded out the 2006 season by hauling in scores against Western Michigan, at Florida and against UCLA in the Emerald Bowl.

WEATHERFORD MOVES INTO TOP TEN LIST ON FSU TD CHARTS
With his 50-yard scoring strike to Richard Goodman to start the fourth quarter, signal caller Drew Weatherford has tied Chip Ferguson for 10th in FSU history with 34 touchdown passes. His third touchdown of the night - which was one of his career-high of four set at Duke in 2006 - moved him past Peter Tom Willis, who occupied the No. 11 spot with 33 TDs.

PARKER HAS THE ALL-AROUND GAME
Wide receiver Preston Parker accounted for 172 yards through three different mediums. He caught a career-high 89 yards on four catches. In the special teams department he returned six punts for 74 yards, averaging 12.3 yards per return. He even got in on the ground game as he had one rush for nine yards.

WHY WALK WHEN YOU CAN TAKE THE CARR
Wide receiver Greg Carr hauled in 82 yards against UAB to give him two games with at least 80 yards receiving in his last three outings (88 vs. UCLA). His touchdown catch in the third quarter was the 22nd of his career, which tied him with Duke's Corey Thomas for 12th in ACC history. Within the Florida State ranks, he needs one more to pull into a tie for fifth place with FSU Hall of Famer Ron Sellers.

WEATHERFORD SPREADING THE WEALTH
Quarterback Drew Weatherford completed passes to eight different receivers against UAB. He has completed passes to at least seven different receivers in each of his last three games. Last season he twice completed passes to nine different receivers (Duke & Tory).

WEATHERFORD CROSSES 300-YARD PLATEAU FOR SECOND TIME IN THREE GAMES
With 213 passing yards in the second half, quarterback Drew Weatherford crossed the 300-yard plateau for the second time in the last three games with 332 yards. It was the seventh time of his career that he's thrown for 300 yards, which ties him for fifth on the FSU charts with current FSU executive athletics director Gary Huff.

EDWARDS MAKING THE MOST OF HIS OPPORTUNITY
Given the chance to carry the ball, running back Jamaal Edwards made the most of his playing time. The Greensboro, N.C., native produced 45 yards on 12 carries with 43 of those yards coming in the second half. Edwards entered tonight's contest with a total of 28 yards rushing. His longest run of the night was 12 yards, which exceeds his career-high by one that he set against UAB as a freshman in the 2004 season on the very first carry of his FSU career.

FIRST TIMERS
Marcus Sims is the third Florida State player to score his first career touchdown in the last two games. In the first quarter of tonight's contest, tight end Charlie Graham hauled in a two-yard touchdown reception. Last week against Clemson, wide receiver Richard Goodman pulled in his first touchdown pass.

FLORIDA STATE FOOTBALL

BOULDER, Colo. (AP) -- The Seminoles beat Colorado 16-6 Saturday night behind Gary Cismesia's three field goals and a defense that nearly handed the Buffaloes their first shutout in almost two decades.

The Seminoles offense didn't do much, even when they started at the Buffs' 15-yard line late in the game and had to settle for yet another short field goal.

"The most ridiculous demonstration of football I've been around in my life," Florida State offensive coordinator Jimbo Fisher fumed. "I'm going to tell you what, if I'm an offensive player, I'm embarrassed. Our defense won that football game. It's ridiculous the mistakes we keep making.

"It's my fault. It starts with me. If you ain't coaching it, you're letting it happen. We're going to find 11 guys who want to do it. We'll start on Tuesday when we get back, I promise you."

The Buffaloes were in danger of getting shut out for the first time since Nov. 12, 1988, at Nebraska, until Cody Hawkins found tight end Tyson DeVree in the back of the end zone on fourth-and-10 from the Seminoles 11 with 3:40 remaining.

That was the latest the Buffs had scored in their 225-game scoring streak, the longest in the Big 12. The Buffs' last whitewash at home was a 28-0 loss to Oklahoma on Nov. 15, 1986.

"Colorado wouldn't quit fighting, kept coming back," Seminoles coach Bobby Bowden said. "I was hoping we could get a shutout. We needed it. Everything looked kind of shoddy to me, but it beats losing."

Said linebacker Derek Nicholson: "We gave up 48 points our first two games, so we wanted to get the shutout. It's disappointing, but six points is not that bad."

After the score, the Buffs went for 2, but Hawkins' throw was high, and Richard Goodman recovered the onside kick for Florida State, which avoided its first 1-2 start since 1989 thanks to its stellar defense.

"Colorado did nothing except line up and kick our tail," Fisher said. "Scheme wise, they didn't have to (do anything). Our defense did a miraculous job. I'm glad they're on our team."

Colorado lost star senior cornerback Terrence Wheatley to a knee injury late in the game. There was no immediate word on the severity of the injury. Coach Dan Hawkins said, "He's fine." But Wheatley didn't look fine limping off the field in the waning minutes.

The Buffs (1-2) had hoped the returns of tailback Hugh Charles (knee) and freshman receiver Josh Smith, the talk of camp before bruising a kidney in preseason practice, would provide a boost, and they did -- just not nearly enough to counter Florida State's vastly superior speed.

Bowden had said he wasn't concerned about the altitude in the Seminoles' first trip into the Rockies, and he was right not to worry.

What bothered the Seminoles much more was Colorado's scrappy defense that made just one big mistake when it allowed Antone Smith to burst through the line with nobody deep to help. The result was a 36-yard touchdown run that helped Florida State take a 10-0 halftime lead -- the first time the 'Noles took a lead into the locker room since last Nov. 18 against Western Michigan.

The Seminoles thwarted the Buffs by using their safeties to shut down the run and relying on their speedy cornerbacks to take away Hawkins' downfield receiving targets.

Colorado finished with minus-27 yards on 25 carries and Hawkins threw 53 times, completing 34 of them for 306 yards with one TD and two interceptions.

"I'm a quarterback, so I like to pass, but I'd like to see our running backs have some success, too," Hawkins said.

But the Florida State offense couldn't capitalize on the good field position it had most of the night.

Smith gained 66 yards on 19 carries and Drew Weatherford was 8-for-18 for 126 yards, no touchdowns and three sacks, and the Seminoles never found any sort of rhythm against the stout Colorado defense.

"I'm not happy at all, by all means," Weatherford said. "We've been doing a pretty good job of getting it into the end zone, I expected us to put it in there when we got down there. But we had stupid penalties, stupid mistakes that kept us out of there."

"I felt like I played terrible," Smith said. "I feel like I left a lot of yards on the field."

A 44-yard punt return from Preston Parker and a 5-yard face mask penalty set up the Seminoles at the Buffs' 15-yard line in the third quarter, but Florida State was forced to settle for Cismesia's 27-yard field goal to make it 13-0.

"This is the first time it's kind of been like that," Bowden said. "When you're backed up on your 10-yard line, you can understand it. When you're on somebody else's 10, that's not supposed to be. I didn't think we were sharp."

Buffaloes kicker Kevin Eberhart missed from 37 and 46 yards. His first miss came at the end of a 16-play first-quarter drive that chewed up 7 1/2 minutes that showed Florida State -- and, more importantly, the Buffs -- that they could move the ball.

It's just that they couldn't get it into the end zone or through the uprights until it was much too late.

FLORIDA STATE FOOTBALL

JACKSONVILLE, Fla. (AP) -- There is no quarterback controversy at Florida State: Xavier Lee's the quarterback -- at least until Monday.

The 6-4, 235-pound redshirt junior with a cannon arm came off the bench Saturday to throw a pair of touchdown passes to De'Cody Fagg and lead Florida State to a 21-14 victory over No.22 Alabama in a showdown between one-time powers looking to regain elite status.

"He gave them a spark," Alabama coach Nick Saban said. "His ability to run made us play different."

Bowden said the Lee he saw perform Saturday before the largest crowd to see a game in this city was the one he's been looking for since 2005.

"He gave us some mobility at quarterback and offensively he won the game," Bowden said. "He did what we've always wanted him to do. Xavier has always been a young man with great potential and I thought tonight he began to use that potential."

Lee, who entered the game in the second quarter, hit Fagg with a 7-yard pass for the game's first touchdown on the opening drive of the second half. The two then teamed up on a 70-yard TD pass with 4:46 left to give the Seminoles a 21-7 lead.

That play came immediately after Alabama scored its first touchdown.

Lee completed 12 of 19 passes for 224 yards after making his first appearance of the year and ran for a game-high 59 yards in what began as a defensive struggle for both teams. He replaced Drew Weatherford, who couldn't produce any first quarter points despite having good field position and a brisk wind at its back.

Bowden said offensive coordinator Jimbo Fisher would make the decision on a starter for next week's game against North Carolina State.

"If he doesn't make the right one [decision], I'll correct him," Bowden teased.

Fisher, however, sounded like he was leaning to sticking with Lee.

"I'd say right now, 'you'd think so," Fisher said. "[But] we don 't want to make any rash decisions after a game."

Weatherford, who is also a redshirt junior, has started 27 games and Lee just three since they began their careers together. Despite continual speculation that Lee would transfer, he didn't.

"No athlete likes to wait and sit around and wait for their chance but patience pays off and patience is a virtue," Lee said.

"He showed some persistence there," Bowden said. "I betcha it's gonna pay dividends for him."

Florida State (3-1) gave Bowden, who grew up in Birmingham, Ala., his 369th coaching win in his first game against Alabama. Bowden has three more coaching wins than Penn State's Joe Paterno.

"When it will be emotional is when I go home this summer up to Birmingham and we go out to Roebuck [golf course] and we tee that thing up on the first tee box and I say 'We whipped y'all,'" Bowden said.

Antone Smith scored on a 5-yard run to give Florida State a 14-0 lead early in the fourth quarter.

Smith's touchdown, which came on a play after Letroy Guion recovered a fumble by Alabama's John Parker Wilson, gave Florida State a 14-0 lead with 9:03 left. Wilson lost the ball as he was being sacked by Florida State's Everette Brown.

Alabama (3-2) cut the lead to 14-7 with 5:04 left on DJ Hall's leaping grab in the back of the end zone on a pass from Wilson, who added a 17-yard TD pass to Keith Brown with 1:06 left.

Wilson completed 28 of 53 passes for 240 yards with Hall catching seven for 83 yards. Alabama's leading rusher, Terry Grant, was held to just 36 of the team's 89 rushing yards.

"The only thing that we had was underneath," said Wilson, who was sacked three times and had little time to throw deep.

Alabama had 78 total yards and three first downs in a scoreless first half while Florida State was only marginally better with five first downs and 89 total yards.

Saban said the Seminoles' defense was one of the best he's seen over the years.

"I've been part of some great defensive teams as a coach and I've played against quite a few and they're up there with the best of them," Saban said.

No players benefited more from Lee's presence that Florida State's two tallest receivers, 6-foot-6 Greg Carr and 6-3 Fagg, who caught nine passes for 202 yards between them. Carr had five catches for 107 yards and Fagg, who has been troubled with dropped passes for much of his career, had 95 yards on four catches.

It was Florida State's first victory in four tries against Alabama in the first meeting between the schools since 1974 when Alabama won 8-7 by scoring a safety and field goal in the final 1:27.

The 85,412 fans at Saturday's game was the most to see a game in Jacksonville, exceeding attendance at the 2004 Super Bowl game or any of the annual Georgia-Florida rivalry games.

FLORIDA STATE FOOTBALL

TALLAHASSEE, Fla. (AP) -- Michael Ray Garvin's 43-yard interception return for a touchdown snapped a halftime tie and sparked Florida State to a 27-10 win Saturday over North Carolina State for its fourth straight win.

A track All American who finished sixth in the 100 meters at the NCAA finals and ran a leg on Florida State's championship 400-meter relay team, Garvin gave Florida State a 17-10 lead early in the third quarter with his first interception of the season.

Daniel Evans, who threw three TD passes in N.C. State's 24-20 victory last year over the Seminoles, was intercepted three times Saturday -- once at the end of the half that killed a Wolfpack drive that had reached Florida State's 26.

Xavier Lee, making his first start of the season at quarterback, ran 2 yards for the Seminoles first touchdown 2:11 into the game, three plays after a 58-yard pass to Greg Carr on the game's first play. Carr later caught a 40-yard touchdown pass early in the fourth quarter to give the Seminoles a 24-10 lead.

The Seminoles (4-1,1-1 Atlantic Coast Conference) snapped a string of eight straight losses against Atlantic Division rivals while N.C. State has now lost a dozen straight game against Bowl Subdivision (formerly 1-A) schools.

Although N.C. State (1-5, 0-3 ACC) led 10-7 in the first quarter, it was again plagued by four turnovers -- boosting its number to 21 in coach Tom O'Brien's first year at the school.

It was Florida State coach Bobby Bowden's 370th career coaching win, the most in major college football.

It was an emotional game for Seminole assistant coach Chuck Amato, who returned to Bowden's side earlier this year after he was fired by his N.C. State alma mater last November following seven seasons as head coach.

One of the players Amato recruited, sophomore running back Jamelle Eugene, ran for 101 yards on 14 carries and caught 5 passes for another 30 yards to lead the Wolfpack offense.

The game was delayed late in the third quarter for 49 minutes because of a lightning threat. Florida State led 17-10 when the players were removed from the field.

ACC sideline official, Ernest Benson, fainted on the sideline in the second quarter and was taken to a local hospital where he was treated for dehydration and released.

GAME NOTES

DEFENSE PITCHES SECOND HALF SHUTOUT

Florida State's defense in the second half of games has been absolutely spectacular this season. For the second time this year (Clemson), the Seminoles pitched a second-half shutout. NC State was limited to just 64 yards of total offense in the second half (42 rushing, 22 passing) and only crossed the 50-yard line twice. Only once this year has Florida State allowed double-digit points in the second half and FSU is limiting foes to 5.4 points per game in the second half.

SECONDARY STEPS UP BIG FOR SEMINOLES

The Florida State defensive backfield came up with some crucial plays to halt a pair of potential scoring drives by the Wolfpack. Cornerback JR Bryant collected his first career interception at the Florida State 16-yard line in the third quarter. Michael Ray Garvin's interception return for a touchdown broke a 10-10 tie in the third quarter. Fellow corner Patrick Robinson ended a potential NC State scoring drive late in the first half with his pick at the FSU eight-yard line.

LEE PUTS TOGETHER ANOTHER STRONG PERFORMANCE BEHIND CENTER

After coming off the bench to lead FSU to victory last week, quarterback Xavier Lee got his first start of the year against the Wolfpack. He produced a turnover free game, going 16-of-28 for 257 yards and a touchdown. The 257 yards are the most Lee has thrown since he totaled a career-high 286 yards against Maryland last season on October 28, 2006. The start was just the fourth of Lee's career and he evened his record to 2-2. He beat Virginia last season, but lost to Maryland and Wake Forest.

MICHAEL RAY GARVIN GETS FIRST PICK-SIX

The first interception of the season for Michael Ray Garvin was a memorable one as it was his first ever interception for a touchdown. The 43-yard interception is the second of his career. The Upper Saddle River, N.J., native picked off his first pass last season in the season-opener against Miami to thwart the Hurricanes' final drive. It's the first interception return for a touchdown by a Seminole since Tony Carter picked off UCLA's Patrick Cowen in the Emerald Bowl and raced 86 yards for the score.

NC STATE MISCELLANEOUS

Greg Carr wasn't the only Florida State receiver to have a good game. Sophomore Preston Parker pulled in a career-high six catches for 61 yards . . . Leading the defensive effort for the Seminoles was Geno Hayes as he tallied a team-high 10 tackles. It was his highest output since he set a career high of 12 versus UCLA in the Emerald Bowl . . . The three interceptions against NC State are the most since FSU picked off a trio of balls versus Troy last season (September 9) . . . For the second game in a row, defensive end Everette Brown, who started the fifth game of his career, recorded a pair of tackles for a loss. He needs just a half tackle for a loss to break into the FSU top 20.

FLORIDA STATE FOOTBALL

WINSTON-SALEM, N.C. (AP) -Riley Skinner threw a 35-yard touchdown pass to Kenneth Moore in the fourth quarter to lead Wake Forest past No. 21 Florida State 24-21 on Thursday night.

Skinner completed 19 of 27 passes for 215 yards and two touchdowns for the Demon Deacons (4-2, 3-1 Atlantic Coast Conference), who rallied in the second half to beat the Seminoles (4-2, 1-2).

Skinner led the Demon Deacons 82 yards in nine plays, converting three third downs during their game-winning drive. The biggest came when Skinner sidestepped a pass rush, stepped forward in the pocket and found Moore, who had a step on cornerback Jamie Robinson at the goal line, for the easy score that put Wake Forest up 21-14 with 6:41 remaining.

Florida State gave the ball right back to Wake Forest on the first play of its ensuing drive, when Chip Vaughn intercepted Xavier Lee's deep pass at the 26. The Demon Deacons milked the clock and set up Sam Swank's 48-yard field goal with 1:40 to play that made it a 10-point game.

Lee scored on a 17-yard run with 17 seconds left to draw the Seminoles within 24-21, but Wake Forest recovered an onside kick to seal it.

Josh Adams rushed 18 times for 140 yards, including an 83-yard touchdown run, and caught a scoring pass. Micah Andrews ran hard as his relief, gaining 57 tough yards in helping spark the comeback.

Wake Forest's defense in the first half allowed two big plays that set up the Seminoles' two scoring drives, then shut them down after halftime. The Demon Deacons forced five second-half punts, intercepted two passes and allowed 105 total yards after the break - with a good chunk coming after Swank's late kick. Florida State's rushing offense never could get going, finishing with 47 yards on 24 carries.

Lee finished 24-of-45 for 283 yards and two touchdowns for the Seminoles, who led 14-7 at halftime.

Wake Forest moved 80 yards in nine plays late in the third quarter to force a 14-14 tie - a drive that started when Alphonso Smith intercepted Lee in the end zone. Skinner capped the drive with a nifty play in which he faked a handoff to Adams, deked like he would roll right and instead reversed field and flipped to the wide-open tailback for a 6-yard score.

Florida State rallied from an early deficit by using two big plays to set up short touchdowns passes. Lee hit Parker for 58 yards and then hooked up again three plays later from 6 yards out - the first TD of the receiver's career - that snapped a five-quarter scoreless streak against Wake Forest.

Later, Carr outjumped Smith on a 50-yard gain down the right sideline, then did it again in the left corner of the end zone to make it 14-7 43 seconds before halftime.

Adams had given Wake Forest a 7-0 lead midway through the second quarter when he took a handoff at his own 17, stutter-stepped through the line and burst down the right sideline for the fourth-longest touchdown run in school history and the longest run allowed by Florida State in more than a decade.

GAME NOTES

CARR SET CAREER-HIGH FOR CATCHES

In addition to moving up the Florida State and ACC touchdown list, Greg Carr had his best night catching the ball as well. The eight receptions by the junior tonight is a career best. Prior to tonight, his season-high was five against Alabama and his career-best was a half-dozen versus Duke on October 22, 2005. In the last three games, Carr has 17 catches. The eight receptions are the most by a Seminole since Chris Davis had eight against Maryland on October 28, 2006. With 108 yards, Carr is the first player since Snoop Minnis in 2000 (Clemson, Wake Forest, Florida) to post three-straight 100-yard games. It is also his second 100-yard game against the Deacons. Here are Carr's 100-yard games.

DEFENSE CAUSES THREE TURNOVERS FOR THE SECOND GAME IN A ROW

For the second game in a row, Florida State's defense did a great job of taking the ball away. The Seminoles caused three turnovers for the second game in a row as they picked off quarterback Riley Skinner twice and recovered one of two forced fumbles. Last week against NC State the Seminoles picked off a trio of passes. The six turnovers in the last two games are as many as the Seminoles forced in the first four games combined.

PARKER CROSSES THE 100-YARD PLATEAU FOR FIRST TIME IN HIS CAREER

Wide receiver Preston Parker had a career-high against the Demon Deacons. In the second quarter he caught the first touchdown pass of his career. His 23-yard reception on Florida State's fourth-quarter scoring drive gave him his first career 100-yard receiving night. His previous career-high was 89 against UAB. He fell one reception short of tying his career high of six set last week versus NC State.

PATRICK ROBINSON GETS SECOND INTERCEPTION IN AS MANY WEEKS

After getting his first career interception last week against NC State, sophomore Patrick Robinson got his second interception versus Wake Forest. The pick was the seventh in the last four games - which is more than halfway to last year's season total of 12 - for the Seminoles and the third game out of the last four that Florida State has had an interception.

FLORIDA STATE FOOTBALL

TALLAHASSEE, Fla. (AP) -- Colin McCarthy returned a fumble 27 yards for Miami's second touchdown in 11 seconds late in the fourth quarter and the Hurricanes beat Florida State 37-29 Saturday.

For the first time since 1977, the rivalry game that helped decide so many national titles during the 1980s and 90s was played with neither team ranked. Fittingly, the Seminoles and 'Canes combined for nine turnovers, five by FSU.

Minutes before Miami's two quick touchdowns, the Hurricanes (5-3, 2-2 Atlantic Coast Conference) appeared to have lost their best chance to get the win when Kirby Freeman was stopped for no gain on a fourth-and-1 at the Florida State 1 with 5:29 left and the 'Canes trailing 29-24.

But Freeman, who replaced injured Kyle Wright in the first half, drove Miami 83 yards in a 1 1/2 minutes to take the lead 30-29 on a 13-yard pass to Dedrick Epps with 1:15 left.

Xavier Lee, who was intercepted twice, then fumbled after being hit by Miami's Teraz McCray, and McCarthy ran it in for the clincher.

Lee threw two interceptions and lost two fumbles for Florida State (4-3, 1-3). He completed 14 of 32 passes for 208 yards in his third start this season.

The Seminoles wasted five field goals by Gary Cismesia and Antone Smith's first 100-yard game of the season. Smith finished with 114 yards on 22 carries.

Cismesia's fourth field goal, from 45 yards, gave Florida State a 26-24 lead late in the third quarter of the back-and-forth contest and he added another from the same distance early in the fourth quarter for the 29-24 lead.

The Hurricanes had grabbed a 24-23 lead on a trick play midway through the third quarter when place-kicker Francesco Zampogna took an over-the-shoulder toss from his holder and found tight end DajLeon Farr on a 26-yard scoring pass.

Wright, who hurt his left ankle, was 6 of 10 for 88 yards, but threw an interception that put Florida State into a 17-14 lead.

Toddrick Verdell's 45-yard touchdown run was followed by a Cismesia field goal that put the Seminoles ahead 20-17 at halftime.

Miami also scored two quick touchdowns in the first quarter to grab an early 14-3 lead.

The Hurricanes went ahead 7-3 lead on Wright's 1-yard run on a scoring drive highlighted by Wright's 64-yard third down pass to Darnell Jenkins.

Greg Cooper then added a 2-yard TD run set up by a fumble by Florida State's Smith.

Florida State coach Bobby Bowden, who has 370 career coaching wins, is now just one ahead of Penn State's Joe Paterno.

GAME NOTES

FLORIDA STATE AND MIAMI HAVE MOST PROLIFIC FIRST HALF IN EIGHT YEARS
Over the last few years, the Florida State-Miami game has been a defensive battle. The 37 combined points scored by the two teams this afternoon are the most since the 1999 game. The Seminoles and Hurricanes went into the locker room tied 21-21 on October 9, 1999. Florida State went on to win that game 31-21 on its way to the National Championship. In addition, the 37 points are already more points that have been scored in any Florida State-Miami game since a 27-28 Miami win on October 12, 2002.

ROBINSON PICKS OFF A PASS FOR THIRD-STRAIGHT GAME
For the third straight game, sophomore cornerback Patrick Robinson has come up with an interception after his 31-yard interception return in the second half. The pick makes the Miami native the first Seminole to intercept a pass in three-straight games since Pat Watkins did it against UAB, Clemson and UNC in 2004.

SMITH CROSS THE 1,000-YARD MARK FOR HIS CAREER
The 36-yard rush by running back Antone Smith on the first play of the second half put him over the 1,000-yard mark for his career. He came into the game with 966 yards and finished the game with 114 yards on 22 carries for a career total of 1,080. The 114 yards marked his first 100-yard rushing game of the season and just the second of his career. The Pahokee, Fla., native first did it with 137 yards against Rice last season (September 23, 2006).

CISMESIA TIES SINGLE-GAME RECORD FOR FIELD GOALS AND PERSONAL POINTS MARK
Gary Cismesia tied his career-high, which is also an FSU single-game record, with five field goals in today's game. In 2004, Cismesia's freshman year, he hit five field goals (23), (29), (27), (40), (43) vs. Duke in a 29-7 win on November 6th. Sebastian Janikowski also holds the record vs. NC State in 1999 and vs. Maryland in 1998. Bill Capece was the first to set the mark with five field goals vs. Pittsburgh in 1980. He added a pair of PATs to tie his career-high of 17 points, which he originally set against the Blue Devils, and one short of the FSU single-game record.

FLORIDA STATE FOOTBALL

TALLAHASSEE, Fla. (AP) -- Preston Parker caught a touchdown pass and scored on an end around Saturday to help Florida State end a two-game losing streak with a 25-6 victory over Duke, handing the Blue Devils' their 22nd straight Atlantic Coast Conference loss.

After going more than five quarters without an offensive touchdown, the Seminoles made it to the end zone six minutes into the third quarter when Parker raced 9 yards with a short sideline pass from Drew Weatherford, giving Florida State a 16-0 lead.

Florida State, which plays next Saturday at undefeated Boston College, led 9-0 at halftime on three field goals by Gary Cismesia.

Parker scored his second TD late in the third quarter on a 14-yard run to make the score 22-0.

After Cismesia kicked his fourth field goal, Duke (1-7, 0-5 ACC) avoided a shutout when Thaddeus Lewis lofted a 3-yard pass to a wide-open Brandon King in the right front corner of the end zone with 8:07 left.

Florida State (5-3, 2-3 ACC) rolled up a season-high 534 yards and 30 first downs while holding Duke to 222 yards and 9 first downs. The Blue Devils managed only 49 yards and two first downs in the first half.

The win was Bobby Bowden's 371st coaching victory and gave him a two-game cushion over Penn State's Joe Paterno, whose team lost Saturday to Ohio State.

Weatherford, making his first start in four games after being benched in favor of Xavier Lee, completed 35 of 47 for 339 yards despite not having junior wide receiver Greg Carr, who missed the game with a wrist injury.

Carr, who has 24 career touchdown catches, had caught six TD catches in two previous games against the Blue Devils.

But De'Cody Fagg took up the slack with 9 catches for 134 yards and Richard Goodman had 11 catches for 73 yards, but injured his right ankle late in the fourth quarter.

Parker had 8 catches for 89 yards and Antone Smith tacked on 146 yards on 23 carries, but was also knocked out of the contest late with a left ankle sprain.

Florida State's Patrick Robinson had an interception for the fourth straight game.

GAME NOTES

CAREER NIGHT GETS SMITH SECOND 100-YARD GAME IN A ROW
Tonight was the most productive game of Antone Smith's Seminole career as he posted personal-bests of 23 carries for 146 yards. Coming into the game his career high was 137 yards against Rice (September 23, 2006) and 22 carries last week against Miami. After 114 yards versus the Hurricanes, he is the first Seminole to record back-to-back 100-yard games since Leon Washington did in 2004 with 153 yards vs. North Carolina and 164 yards vs. Syracuse.

PARKER SCORES ONE ON THE GROUND AND ONE THROUGH THE AIR
Both of Florida State's touchdowns came from wide receiver Preston Parker, but they came through two different means. His first score was a nine-yard pass from Drew Weatherford followed by a 14-yard run. He finished the game with 89 yards through the air on a career-high eight catches and 27 on the ground. Parker is the first Seminole to score a rushing and receiving touchdown since Nick Maddox did it against Duke on September 1, 2001. Maddox had a 51-yard run to go along with a 26-yard pass from Chris Rix.

ROBINSON GRABS ANOTHER INTERCEPTION
For the fourth game in a row, sophomore cornerback Patrick Robinson has come up with an interception. His four picks this season ties last year's leader Roger Williams and equals Antonio Cromartie (2004) and Pat Watkins (2004) for the most interceptions since Tay Cody had six in 2000. As a team, Florida State has 11 through eight games, which is just one shy of last year's and 2005's total.

WEATHERFORD MATCHES CAREER COMPLETIONS MARK
Playing in his first game since Alabama, quarterback Drew Weatherford tied his career high with 35 completions on 47 passes for 339 yards and one touchdown. The 339 yards are the third-highest total of his career and the most since he threw for a career-best 377 against Virginia in 2005.

WEATHERFORD MOVES UP ON ALL-TIME FSU LISTS
Junior quarterback Drew Weatherford moved up on several Florida State career lists tonight. His 35 completions upped him to third in school history - passing No. 3 Danny Kanell (529) - with 542 completions for his career. He is 34 shy of passing Chris Rix for the number two spot. The 339 yards are his eighth 300-yard game, breaking a tie with Gary Huff in fifth and forging one with Thad Busby for fourth. When you add in his eight yards rushing, Weatherford accounted for 347 total yards on the night to pass Huff for fifth with 6,169 total yards. He needs eight more yards to pass Kanell (6,176) for fourth. Weatherford needs 30 yards to hop Kanell on the career passing yards charts at 6,372.

FAGG HAS A BIG NIGHT AGAINST THE BLUE DEVILS
Senior wide receiver De'Cody Fagg had the best game of his career tonight against Duke. His 134 yards and nine catches are both career highs. Coming into tonight, his highest yardage output was 113 against the Citadel in 2005 and he reeled in a then career-high seven receptions versus Troy last year.

FLORIDA STATE FOOTBALL

BOSTON (AP) - There goes another No. 2.

Geno Hayes returned Matt Ryan's third interception for a 38-yard touchdown with 1:10 to play on Saturday night to help Florida State beat second-ranked Boston College 27-17, ending the Eagles' run at an unbeaten season and shaking up the BCS standings yet again.

With the loss by BC (8-1, 4-1 Atlantic Coast Conference), only Ohio State, Kansas and Hawaii remain unbeaten. A handful of one-loss teams - LSU, Oregon and Oklahoma among them - had their hopes for reaching the Bowl Championship Series title game aided by Florida State. LSU will probably take second-place behind Ohio State in the BCS standings when they come out Sunday.

"This does not deter us from what we want to do," BC coach Jeff Jagodzinski said, "and that's win the ACC championship."

The No. 2 team in The Associated Press Top 25 lost three consecutive weeks before Boston College took over the second spot on Oct. 21 and held on with a comeback victory over Virginia Tech last week. Southern California, California and South Florida were the others to lose as No. 2.

Drew Weatherford completed 29-of-45 passes for 354 yards for Florida State (6-3, 3-3), hitting Preston Parker nine times for 93 yards and a touchdown and De'Cody Fagg on six catches for 111 yards and a TD.

Ryan finished 25-for-53 for two touchdowns and 415 yards - his fourth career 400-yard game, tying Doug Flutie for the most in school history.

But his interceptions were costly.

"One of the things you can't do, I don't care what level you're on, you can't turn the ball over," Jagodzinski said. "We had four."

Ryan was picked off once in the first quarter inside the Seminoles 10. He also threw an interception early in the third that allowed Florida State to move into position for a 40-yard field goal that made it 10-0.

It was the second consecutive game BC trailed 10-0 before mounting a rally: The Eagles spotted Virginia Tech a two-score lead on Oct. 25 before Ryan threw two touchdown passes in the final 2:11 to vault himself into the Heisman Trophy conversation.

This time, he had more than 20 minutes to work with.

"You can never count out Matt Ryan and BC," Weatherford said. "I was nervous the whole time. He's a great player, he's led his team back before and I knew he could do it again. I was nervous until the final play."

Ryan led BC on a four-play, 70-yard drive over 63 seconds, hitting Ryan Purvis for 26 yards to the Florida State 30, and then Brandon Robinson for the touchdown. The teams traded field goals, then Weatherford hit Fagg on a 42-yard touchdown pass to give the Seminoles a 20-10 lead.

Ryan hit Rich Gunnell on a 42-yard pass to the Florida State 6 with 7:24 left. Two plays later, including a penalty that moved the ball to the 3, Ryan hit a wide-open Purvis in the middle of the end zone to make it 20-17.

BC forced a punt and got the ball back at its own 7 with 3:30 left and a chance to take the lead.

"I was excited," Ryan said. "As soon as they stopped them, and forced the punt, they gave us another chance to go out there and win the game."

Ryan moved the Eagles out to the 33 before Hayes ripped the ball free from Purvis on a pass across the middle and went easily into the end zone.

"This is the fourth game that we've been ahead at the half and we've lost two of them," Seminoles coach Bobby Bowden said. "I thought we were going to make enough mistakes to lose it at the end."

The game began in a frigid and soaking downpour, with wind gusts forecast at up to 50 mph as the remnants of Hurricane Noel proceeded up the East Coast. The rain had stopped by the end of the first quarter, but the winds battered the U.S. flag and played havoc with a couple of second-quarter field goal attempts.

"Everybody believed, until the very end, that we could pull it out at the end, after what Matt did last week," BC linebacker Mark Herzlich said. "Hayes made a great play and sealed the deal."

Robinson caught seven passes for 163 yards for BC, fighting off a grabby defender to make a beautiful diving catch for 38 yards to the Seminoles 6 midway through the fourth quarter. But the Eagles, trailing 13-7 at the time moved backward on penalties and managed only a field goal.

Weatherford answered with a two-play, 61-yard drive that took just 41 seconds before Fagg ran 42 yards into the end zone to make it 20-10.

FLORIDA STATE FOOTBALL

BLACKSBURG, Va. (AP) - With two games left in the regular season, Virginia Tech has things right where it wants: the offense is hitting its stride, the defense keeps making big plays and the Atlantic Coast Conference title is theirs for the taking.

Tyrod Taylor threw for two touchdowns and ran for another Saturday and the Hokies finally got coach Frank Beamer his first career victory against Florida State, 40-21.

Still, the victory didn't come as easily as it sounds.

The Hokies (8-2, 5-1 Atlantic Coast Conference) blew a 14-point halftime lead and trailed 21-20 entering the final quarter, but Taylor drove them to his go-ahead 3-yard scoring run, and three late Seminoles turnovers turned a close game into a rout.

First, they had to end a history of failure against the Seminoles. Beamer was 0-7 in his career against Florida State, and Seminoles coach Bobby Bowden was 15-0 in his career against the Hokies, including two of the biggest losses in Tech history.

"Everybody kind of knew that Florida State had our number," said quarterback Sean Glennon, who started and was sharing time with Taylor until he got knocked loopy.

In 1999, the Seminoles rallied to beat the Michael Vick-led Hokies in the Sugar Bowl national championship game, 46-29. Two years ago, the heavily favored Hokies collapsed under a barrage of penalties and lost 27-22 in the first ACC title game.

"All the seniors played in that ACC championship when Florida State beat us," Adibi said, recalling a game when the Hokies had 17 penalties for 143 yards.

"That's a bad taste that's been in my mouth for a while," Adibi said.

Taylor and Co. didn't make Beamer suffer through another heartbreaker, but the Seminoles sure made the Hokies coach and fans sweat it out until late in the game.

The game changed on Taylor's skills. On the Hokies go-ahead drive, he ran 12 yards for a first down, and threw a deep ball to Justin Harper down the left sideline that was initially ruled no catch, but was overturned, making it a 45-yard gain to the 1.

Three plays later, Taylor took it in on a draw play. His 2-point conversion pass to Zach Luckett made it 28-21 with 10:10 left, and it was one-sided after that.

"I think he's made out of the right stuff," Beamer said of the soft-spoken freshman quarterback. "He's kind of like our football team. He'll come back and keep battling."

Taylor finished 10-of-15 for 204 yards and ran for 92 more. Harper caught five passes for 167 yards and a touchdown, and the defense allowed 267 total yards.

"I didn't expect to see the second coming of Vick," Bowden said after being denied his 300th victory at Florida State. "We couldn't tackle that guy. We'd get in a position - on that third and a million, he ran. Couldn't tackle him."

The Seminoles (6-4, 3-4), who seemed to be catching their stride last week when they beat No. 8 Boston College, lost quarterback Drew Weatherford to injury before halftime and were led back by backup Christian Ponder until the fourth quarter.

Two plays after Taylor's go-ahead run, Ponder was stripped by Barry Booker and Cam Martin recovered for Tech, leading to a 22-yard field goal. Chris Ellis then intercepted Ponder at the 5 and danced into the end zone, making it 38-21.

A sack for a safety completed the scoring.

Trailing 20-6, the Seminoles quickly got back in the game in the third quarter. Gary Cismesia's 50-yard field goal ended their first series, and Dekoda Watson intercepted a tipped pass by Taylor and returned it 40 yards for a TD just 1:54 later.

That helped quiet the crowd, and the Hokies did little to wake them, going three-and-out for the third consecutive series. When Brent Bowden punted it away, a 15-yard facemask penalty against Richard Graham allowed the Seminoles to start at their 46.

Ponder hit De'Cody Fagg for 28 yards on a third-and-5, ran for 22 yards on a third-and-14 and hit Fagg in the end zone for the touchdown that gave the Seminoles a 21-20 lead, stunning the crowd.

Taylor hit a wide-open Justin Harper on a slant for a 31-yard touchdown on just his second play, then ran 38 yards for a first down on a third-and-31 from the Hokies 34. The drive ended with a 5-yard scoring pass to Josh Morgan 12:29 before halftime.

Following a punt by Florida State, Taylor hit Josh Hyman for 14 yards, Kenny Lewis Jr. ran for 17 and Taylor hit Harper with a perfectly thrown 48-yarder to the Seminoles' 4. Two runs by Branden Ore later, Virginia Tech was rolling, 20-6.

FLORIDA STATE FOOTBALL

TALLAHASSEE, Fla. (AP) -- Bobby Bowden won his 300th game at Florida State, getting 133 yards rushing and a touchdown from Preston Parker in a 24-16 victory against Maryland on Saturday.

Bowden, who has 373 career coaching wins, is assured of keeping his lead over Penn State's Joe Paterno for at least one more week in their long-running competition for the most wins in major college history.

Florida State (7-4, 4-4 Atlantic Coast Conference) clinched a 31st consecutive winning season, while Maryland (5-6, 2-5 ACC) needs a win at North Carolina State next week just to become bowl eligible.

Parker, who had been the Seminoles' leading receiver, made his first start at tailback and ran for 51 yards on his first four carries, including an 18-yard TD that gave the Seminoles a 14-3 lead late in the first quarter. He was moved to running back this week after Antone Smith was lost to a shoulder injury in last week's loss at Virginia Tech.

Drew Weatherford bounced back from a concussion that knocked him out of last week's game to throw for 204 yards and a touchdown. He also ran for another.

Florida State took a 21-3 lead 44 seconds into the second quarter when Weatherford and De'Cody Fagg hooked up on a 10-yard touchdown pass.

The Seminoles led 21-6 at the half with Maryland's points coming on a pair of field goals by Obi Egekeze, who added a third in the fourth quarter to complete the scoring.

Maryland made it interesting in the second half, pulling to within 21-13 midway through the third quarter when Darrius Heyward-Bey scored on a 14-yard pass from Chris Turner.

Turner completed 16 of 32 passes for 242 yards, but threw a costly interception and was sacked four times.

Patrick Robinson's sixth interception of the season set up the game's initial score, a 1-yard run on fourth down by Weatherford.

Parker, a 6-foot, 190-pound sophomore from Delray Beach, carried the ball 20 times, caught a pass for 21 yards and returned four punts for 40 more yards.

Coming into today's game against Maryland, Parker had carried the ball 18 times for 88 yards in the first 10 games. It's the third time this season a tailback has recorded over 100 yards on the ground. Antone Smith registered back-to-back 100-yard games against Miami (114 yards) and Duke (146 yards).

WEATHERFORD CONTINUES TO CLIMB CHARTS

Senior Gary Cismesia registered just his second career field goal against Maryland connecting from 30 yards, a career-long against the Terps. Seminole kickers have gone 6-for-12 in field goals over the last six games vs. the Terps. Cismesia has attempted 18 field goals in the last five games connecting on 15. Cismesia collected six points on the afternoon on a field goal and three PATs to stay in sixth place all-time for career scoring with 292 points. He needs just three points to surpass Warrick Dunn, who sits in fifth place with 294 points.

FLORIDA STATE FOOTBALL

GAINESVILLE, Fla. (AP) -- Tim Tebow threw three touchdown passes, ran for two scores and carried the 12th-ranked Gators to a 45-12 victory over the Seminoles on Saturday night.

Tebow led the Gators (9-3) to touchdowns on four of their first five possessions, staking them to big lead that eased the pressure on Florida's young defense that has struggled much of the year.

Percy Harvin did his part, too. After missing the last two games because of migraine headaches, Harvin returned and ran 16 times for 157 yards. He scored on a 24-yard run with 3 minutes to play.

Tebow and Harvin burned the Seminoles (7-5) all over the field, helping extend Florida's dominance in the series.

The Gators have won four in a row, the longest streak since winning their sixth straight in 1986.

With Tebow and Harvin on board for at least another year, Florida State's outlook for ending the streak doesn't look so promising.

Tebow finished 19-of-28 for 262 yards. The sophomore also carried 13 times for 89 yards.

Tebow ran around and over defenders all game, and stirred the crowd into a frenzy after every big play.

He had most of the 90,664 at Ben Hill Griffin Stadium chanting "Tebow, Heisman" with 5:37 to play.

Maybe Geno Hayes should have joined in. Florida State's junior linebacker said early in the week that Tebow was "going down" Saturday.

Hayes was right, sort of.

Tebow went down the field and down in history.

His second rushing touchdown gave him 22 for the season, tying the NCAA record for a quarterback. Chance Harridge of Air Force also had 22 in 2002.

GAME NOTES

CISMESIA SETS SCHOOL RECORD WITH 60-YARD BOOT

The 60-yard field goal by kicker Gary Cismesia to end the half is the longest in school history and the longest in the country this season. He broke the record of 56 yards set by Sebastian Janikowski against Wake Forest in 1997. It was also his fourth field goal of the game - his fifth game with three field goals or more - and his 27th of the season to tie him with Janikowski for the single-season school record. The school record for field goals in a game is five by Cismesia and several other players.

FLORIDA STATE CHEWING UP YARDS ON THE GROUND

Against the nation's No. 14 run defense, the Seminoles were able to amass 93 yards on the ground. That's a season high for a half for the Seminoles - surpassing the 79 yards gained against NC State - and just six yards below the Gators' average for an entire game. FSU hasn't rushed for this many yards in the first half since it gained 96 versus UCLA in the 2006 Emerald Bowl. LSU (247 yards) and Georgia (196 yards) are the only two opponents to rush for 100 yards against Florida this year.

WEATHERFORD SETS ACC RECORD FOR PASSES WITHOUT AN INTERCEPTION

Quarterback Drew Weatherford attempted 37 passes against Florida. His 28th attempt in the third quarter established a new ACC record for consecutive passes in a single season without an interception at 225. The previous ACC record was 224 consecutive passes without an in interception by Matt Blundin of Virginia in 1991. He needs to throw four more passes without an interception to break the ACC career record of 237 set FSU Heisman Trophy winner Chris Weinke over the 1998 and 1999 seasons.

FOUR FIELD GOALS MOVES CISMESIA UP ON NCAA SINGLE-SEASON CHART

With four field goals today against Florida, kicker Gary Cismesia has moved into the top ten on the NCAA single-season list. He finished the game with 27 field goals, which equals the FSU and ACC record set by Sebastian Janikowski, and puts him in a tie for eighth on NCAA charts. The national single-season record is 31 by Billy Bennett of Georgia in 2003.

MORE ON CISMESIA'S 60-YARD FIELD GOAL

In addition to the Florida State record that kicker Gary Cismesia set with his 60-yard field goal to end the first half, it is also the new ACC record. The previous mark was 57 yards set by three players: Vince Fusco of Duke against Clemson (1976), Obed Ariri of Clemson against Wake Forest (1977) and Chris Gardocki of Clemson against Appalachian State (1990). The boot tied the Ben Hill Griffin Stadium mark set by the Gators' Chris Perkins against Tulane (1984). It is also the second-longest by a Florida opponent, trailing Tony Franklin of Texas A&M in the 1977 Sun Bowl.

FLORIDA STATE FOOTBALL

NASHVILLE, Tenn. (AP) -- Andre Woodson threw four TD paases against Florida State and Kentucky won its second straight Music City Bowl, beating the Seminoles 35-28 on Monday for Bobby Bowden's first bowl loss in December.

Kentucky hadn't ended back-to-back seasons with bowl wins since 1951-52, but the Wildcats pulled off the feat in Nashville one year after surprising Clemson, coached by Bowden's son, Tommy.

As for the elder Bowden, who has led the Seminoles to 26 straight bowls and two national titles, his December bowl record finally has its first blemish at 7-1-1. Bowden is major college football's winningest coach with 373 victories -- one ahead of Penn State's Joe Paterno.

Woodson capitalized on the missing depth and finished the season with 40 touchdown passes, breaking Tim Couch's school-record 37 set in 1998. It was the 19th consecutive game with at least 200 passing yards and a scoring pass for Woodson, a senior who figures to be among the first quarterbacks taken in the NFL draft.

The Wildcats took the lead for good midway through the third quarter on Woodson's 2-yard slant to Rafael Little, who 126 yards on 26 carries. It was the 13th 100-yard rushing game for the senior running back, tying him for second on Kentucky's career list.

Florida State quarterback Drew Weatherford pulled the Seminoles to 28-21 with 8 minutes left on a 1-yard bootleg run -- his first career game with two rushing TDs.

Woodson immediately answered, dumping off a short pass that Steve Johnson took for 38 yards for his second TD reception. Johnson led all receivers with 126 yards.

Weatherford would add a TD pass to Greg Carr with just over 2 minutes remaining, and Florida State got the ball back at the 1-minute mark behind by one score.

Linebacker Micah Johnson appeared to come up with a game-icing interception, but a fumble gave the Seminoles another chance. Weatherford's last-second pass fell incomplete in the end zone.

GAME NOTES

WEATHERFORD SETS ACC RECORD STREAK

Quarterback Drew Weatherford broke the ACC and school record for consecutive pass attempts without throwing an interception in the first quarter. The previous record was held by Florida State's Chris Weinke at 237 consecutive passes. Weatherford was 6-for-8 for 50 yards in the first quarter. In the first half, Weatherford attempted 20 passes pushing his current record to 254 straight passes without an interception.

FIRST FOR CARTER AND ROLLE

Tony Carter's fumble recovery in the first quarter was the first of his career. He returned the fumble 51 yards to the Kentucky 47. On the same play, the fumble was caused by Myron Rolle, his first career caused fumble. Rolle has recovered a pair of fumbles this year.

CARR ECLIPSES 700 YARDS

With a 24-yard reception on a 3-and-10 play in the second quarter, Greg Carr joined De'Cody Fagg with 700 plus yards receiving in 2007. Carr and Fagg became the first pair of FSU wideouts with 700 or more receiving yards a piece in the same season since 2003 when Craphonso Thorpe (994) and P.K. Sam (735) accomplished that feat.

PARKER MOVES INTO TOP 15

Sophomore Preston Parker made two receptions for 29 yards in the first half moving him into the Seminoles' all-time top-15 for catches in a single-season. Parker is now tied with Ron Sellers who recorded 56 receptions in 1966.

CARTER CONTINUES BOWL GAME SIX-CESS

Tony Carter recorded his fourth interception of the season on an Andre Woodson pass in the second quarter. He returned the pick 24 yards for his first touchdown of the season and third of his career. Carter had an 86-yard interception return for a touchdown in last year's Emerald Bowl victory against UCLA. His first career interception return for a touchdown came against Virginia in 2006, a 35-yard return. It also marks the fifth defensive touchdown by the Seminoles this season.

SMITH GOES OVER 100...AGAIN

Tailback Antone Smith rushed for 156 yards against Kentucky. It marks the third time this season and fourth game of his career that Smith has rushed for over 100 yards in a game. The 156 yards on the ground against the Wildcats also marks a career-high. This year Smith rushed for 146 yards against Duke and 114 yards against Miami. Drew Weatherford also finished the game with a career-high 61 yards rushing.

WEATHERFORD SEES STREAK END VERSUS THE CATS

With an interception in the fourth quarter, Weatherford's streak of consecutive pass attempts without throwing an interception came to an end at 270. The mark stands as both an ACC and FSU school record.
